

March 2015 President's Newsletter

Greetings on another cold snowy morning.

Have you made your plans and invited a friend to our Friday evening Trunk Show with Dan & Carol Perkins?

Remember, Friday evening March 6, 6:30 pm, at the Houlton Higher Education Center.
The Trunk show promises to inspire and encourage our love of creative quilting.

Saturday, March 7, 9am-3pm, is the Workshop "Doubly Charmed" also at the HHEC.
The highlights of this workshop are learning to use 2 new specialty rulers and having 88 charm squares (5" squares) yield 2 quilts. There are several spots still available for anyone interested in participating.
This is a wonderful learning opportunity, not to mention all the fun that will be had.

So make your plans and invite a guest.
