

Our March meeting is Tuesday, March 1st at 6:30 pm

We are planning an auction, so please take this opportunity to organize and clean out your sewing room. Everything you want to move on to a new home would be appreciated in the auction. Items available at past auctions: quilting magazines, books, patterns, tools, supplies, fabric, incomplete projects, etc. Tammy Mulvey will be our auctioneer for the evening.

Saturday March 12 is the final workshop for this year. This workshop features a Judy Niemeyer pattern and foundation paper piecing. If you have never tried the Niemeyer method, this is your best chance. Contact Kim for details and to sign up.

At the last meeting, there was interest expressed in organizing a bus trip. It was suggested to visit the Fiber & Textile Museum in Lowell, Massachusetts. The Spring and Fall Shop Hops are also an idea. Is there anyone who would be willing to make the arrangements for a bus trip?

Please clean out and bring quilt "stuff" to March 1st meeting.
Thanks, Brittany Benn
